Pacific Avenue Senior Apartments ? Phase I

3701 Pacific Avenue, Livermore | [Map](#) ^[1]
New Development, Coming Soon

SAHA is partnering with Interfaith Housing, Inc. ^[2] (IFH) to develop Pacific Avenue Senior Apartments, an affordable housing community for seniors in Livermore providing up to 140 apartment homes consisting primarily of one-bedroom apartments. The City of Livermore selected the partnership of SAHA and IFH through a competitive RFP process and entered into an Exclusive Negotiating Rights Agreement with us in 2018. Over the course of the next two years, the Livermore City Council approved a General Plan Amendment and land use designation for the property to allow housing development on the site.

It is anticipated the development will be constructed in two phases. Phase I can accommodate approximately 79 affordable homes. Phase II will add approximately 61 apartment homes. All

of the parking for both phases will likely be constructed in Phase I and ultimately shared between the buildings. Each phase will have amenities for residents including community rooms, indoor bicycle storage, community vegetable and flower gardens, on-site laundry, elevator service, and off-street parking.

Pacific Avenue Senior Apartments will be an affordable community for seniors in a village-like setting. Residents will have access to nearby neighborhood amenities, such as the Livermore Public Library, as well as on-site amenities and services carefully designed to encourage wellness and engagement in community life.
