Jose Sanchez

Vice President of Finance

Jose L. Sanchez, Vice President of Finance, has extensive management experience in all aspects of accounting, finance, asset management, strategic planning and risk management with direct expertise in residential and commercial real estate, specifically multi-family housing. Sanchez began his career in accounting and prior to joining SAHA served as the CFO for Tutelian & Company, a market-rate commercial real estate developer. He was previously Vice President-Asset Management at Jamboree, an affordable housing developer. He holds an MBA from Chapman University and was a Riordan Fellow at the UCLA School of Management and is COS-certified by the National Center for Housing Management. Sanchez is active in community service and adaptive sports and is passionate about affordable

housing. He joined SAHA in 2023.
