Satellite Affordable Housing Associates plans to break ground this month on the \$33 million, 92-unit Lakeside Senior Apartments at Second Avenue and E. 15th Street in Oakland. Satellite partnered with Oakland Housing Initiatives and the Oakland Housing Authority on the project.

The property, designed by David Baker + Partners, will include one-bedroom apartments. The contractor on the project is James E. Roberts Obayashi Corp.

Satellite also recently upgraded five of its senior communities, totaling about \$25 million for 350 units. The properties include four in Oakland: Satellite Central, Park Boulevard Manor, Doh On Yuen, and Glen Brook Terrace, as well as one in Berkeley, Stuart Pratt Manor.

The rehab included improving the common areas, systems and façades and was designed by Anne Phillips Architecture. Construction was done by a joint venture between D&H Construction and BBI Construction.
